

# Robillard joins RIBA board

Meet Mary Jane Robillard of National Building Products, newest member of the Rhode Island Builders Association's Board of Directors!

Mary Jane, a designer in National's Kitchen Views company, has over 15 years of experience in her chosen field. In fact, the Smith College-educated East Providence resident comes from an eclectic background.

Mary Jane Robillard

“Growing up in Wickford in an antique home made me appreciate a variety of architecture and design styles,” says Mary Jane, who had her initial training at a “big box” store.

“I was able to learn the foundations of building materials and interiors, from flooring and blinds to plumbing and appliances before I was sent to kitchen designer school,” she recalls.

“I'm really excited for the opportunity to serve on the RIBA board,” Mary Jane adds. “I was born and raised in Rhode Island, I'm invested in my community, and I care particularly about the residential construction industry. It's not just a job for me.”

Also active in the Rhode Island Lumber and Building Materials Dealers Association, Mary Jane especially looks forward to supporting RIBA's legislative advocacy and workforce development efforts.
